Re: ***Genentech, Inc. v. Amgen Inc.***,
C.A. No. 17-1407-CFC (D. Del.) (consolidated)

Dear Judge Connolly:

I write on behalf of Plaintiffs in the above-referenced action regarding Amgen's letter submitted in advance of the March 5, 2020 status conference. (D.I. 641). Amgen's status conference letter identifies no case management issues that require decision by the Court. Instead, Amgen argues the merits of two of the pending infringement claims. It presumably comes as no surprise to the Court that Genentech sees the merits differently. We will address Amgen's non-infringement arguments at the appropriate time.

Respectfully submitted,

/s/ Daniel M. Silver
